# MODULE 1

## Introduction

### WHAT DO YOU WANT TO GET OUT OF THE REAL RELIEF COURSE?

If you had a magical wand what symptoms would you want to get rid of?

In 3 months time what do you want to feel more of?

### QUESTIONS WHICH REVEAL THAT YOU NEED TO OPTIMISE YOUR DIET

- |   | YES                      | NO                       |
|---|--------------------------|--------------------------|
| • Do you eat less than 4 servings of vegetables and 2 pieces of fruit per day?              | <input type="checkbox"/> | <input type="checkbox"/> |
| • Do you eat protein at less than 3 meals per day? (eg. meat, chicken, fish, eggs, legumes) | <input type="checkbox"/> | <input type="checkbox"/> |
| • Do you have strong sugar cravings?  | <input type="checkbox"/> | <input type="checkbox"/> |
| • Do you drink more than 1 cup of coffee or tea per day?                                    | <input type="checkbox"/> | <input type="checkbox"/> |
| • Do you eat fish less than twice a week?   | <input type="checkbox"/> | <input type="checkbox"/> |
| • Do you eat red meat less than three times a week?   | <input type="checkbox"/> | <input type="checkbox"/> |
| • Do you eat a low fat diet?  | <input type="checkbox"/> | <input type="checkbox"/> |

### QUESTIONS WHICH REVEAL THAT YOU NEED TO ADDRESS FOOD SENSITIVITIES

- |  | YES                      | NO                       |
|--|--------------------------|--------------------------|
| • Do you have strong sugar cravings?   | <input type="checkbox"/> | <input type="checkbox"/> |
| • Do you get hangry?   | <input type="checkbox"/> | <input type="checkbox"/> |
| • Does Coeliac disease run in your family?   | <input type="checkbox"/> | <input type="checkbox"/> |
| • Do you have digestive complaints?  | <input type="checkbox"/> | <input type="checkbox"/> |
| • Did you have eczema, asthma, frequent chronic earaches, or colic either as a child (or still as an adult)? | <input type="checkbox"/> | <input type="checkbox"/> |
| • Do you have bloating, nausea, burping, flatulence, diarrhea or constipation more than twice a week?        | <input type="checkbox"/> | <input type="checkbox"/> |
| • Do you have brainfog, sinusitis or frequent vaginal yeast infections?                                      | <input type="checkbox"/> | <input type="checkbox"/> |

# MODULE 1

## Introduction

---

### QUESTIONS WHICH REVEAL THAT YOU NEED TO SUPPORT GUT HEALTH

- |  | YES                      | NO                       |
|--|--------------------------|--------------------------|
| • Do you have diarrhea, digestive discomfort, bloating or reflux more than once a week?          | <input type="checkbox"/> | <input type="checkbox"/> |
| • Do you burp or fart on a daily basis?  | <input type="checkbox"/> | <input type="checkbox"/> |
| • Do you have less than 1 bowel motion per day?  | <input type="checkbox"/> | <input type="checkbox"/> |
| • Do you have sinusitis, frequent urinary tract infections (UTI's) or frequent yeast infections? | <input type="checkbox"/> | <input type="checkbox"/> |
| • Have you ever had to take antibiotics frequently? (i.e. more than 3 times per year)            | <input type="checkbox"/> | <input type="checkbox"/> |

### QUESTIONS WHICH REVEAL THAT YOU NEED TO TREAT NUTRITIONAL DEFICIENCIES

- |  | YES                      | NO                       |
|--|--------------------------|--------------------------|
| • Do you eat a vegan or vegetarian diet?                                       | <input type="checkbox"/> | <input type="checkbox"/> |
| • Do you consume red meat less than three times a week?                        | <input type="checkbox"/> | <input type="checkbox"/> |
| • Do you eat fish less than twice per week?                                    | <input type="checkbox"/> | <input type="checkbox"/> |
| • Do you have dark skin?   | <input type="checkbox"/> | <input type="checkbox"/> |
| • Do you spend most of your time indoors?                                      | <input type="checkbox"/> | <input type="checkbox"/> |
| • Are you on the oral contraceptive pill?                                      | <input type="checkbox"/> | <input type="checkbox"/> |
| • Do you have white dots in your fingernails?                                  | <input type="checkbox"/> | <input type="checkbox"/> |
| • Do you eat little nuts and seeds?  | <input type="checkbox"/> | <input type="checkbox"/> |
| • Are you stress intolerant?   | <input type="checkbox"/> | <input type="checkbox"/> |
| • Is your iron always low or on the low-side?                                  | <input type="checkbox"/> | <input type="checkbox"/> |
| • Do you eat less than 4 servings of vegetables and 2 pieces of fruit per day? | <input type="checkbox"/> | <input type="checkbox"/> |

# MODULE 1

## Introduction

---

### LIST OF BLOOD TESTS TO ORDER

- Iron, ferritin, vitamin B12 & folate
- Homocysteine
- Vitamin D
- Copper
- Zinc
- Coeliac disease

### OTHER TESTS OF INTEREST

- Thyroid (TSH, FT4, FT3)
- Cortisol (morning)
- General chem (including sodium & potassium)

\*Note: these tests will not be covered in the Real Relief Foundation Course

### AIMS FOR MODULE 1

- Consider streamlining the number of supplements you are on
- HIGH PRIORITY: Organise blood testing:
  - a list or letter for your doctor is provided for you
- Reduce caffeine intake
- Increase vegetable intake (5+ serves per day)
  - select one or two meals first

### TO DO

- 
- 
- 
- 

### INSIGHTS & NOTES FOR MODULE 1

## MODULE 2

# Optimise Your Diet

---

### QUESTIONS TO ASK YOURSELF

- |   | YES                      | NO                       |
|---|--------------------------|--------------------------|
| • Do you eat less than 4 servings of vegetables and 2 pieces of fruit per day?              | <input type="checkbox"/> | <input type="checkbox"/> |
| • Do you eat protein at less than 3 meals per day? (eg. meat, chicken, fish, eggs, legumes) | <input type="checkbox"/> | <input type="checkbox"/> |
| • Do you have strong sugar cravings?  | <input type="checkbox"/> | <input type="checkbox"/> |
| • Do you drink more than 1 cup of coffee or tea per day?                                    | <input type="checkbox"/> | <input type="checkbox"/> |
| • Do you eat fish less than twice a week?   | <input type="checkbox"/> | <input type="checkbox"/> |
| • Do you eat red meat less than three times a week?   | <input type="checkbox"/> | <input type="checkbox"/> |
| • Do you eat a low fat diet?  | <input type="checkbox"/> | <input type="checkbox"/> |

### AIMS FOR MODULE 2

- |   | TO DO                    |
|---|--------------------------|
| • Reduce caffeine intake  | <input type="checkbox"/> |
| • Increase water intake to 2-3 Litres/day   | <input type="checkbox"/> |
| • Increase vegetable intake at every meal <ul style="list-style-type: none"><li>◦ 5+ serves of vegetables plus 1-2 serves of fruit per day</li></ul>  | <input type="checkbox"/> |
| • Include protein at every meal <ul style="list-style-type: none"><li>◦ do you need to increase fish or red meat?</li></ul>   | <input type="checkbox"/> |
| • Concentrate on a good breakfast   | <input type="checkbox"/> |
| • Replace the fats & oils you are currently using in your cooking   | <input type="checkbox"/> |
| • Use the MyFitnessPal app to assess your protein and/or potassium intake   | <input type="checkbox"/> |
| • Consider a potassium supplement or coconut water if your potassium intake is inadequate <ul style="list-style-type: none"><li>◦ especially if you have anxiety or heart palpitations</li><li>◦ do not take potassium if you are on a heart medication</li></ul> | <input type="checkbox"/> |

# MODULE 2

# MODULE 3

## Address Food Sensitivities

---

### QUESTIONS TO ASK YOURSELF

- |   | YES                      | NO                       |
|---|--------------------------|--------------------------|
| • Do you have strong sugar cravings?  | <input type="checkbox"/> | <input type="checkbox"/> |
| • Do you get hangry?  | <input type="checkbox"/> | <input type="checkbox"/> |
| • Does Coeliac disease run in your family?  | <input type="checkbox"/> | <input type="checkbox"/> |
| • Do you have digestive complaints?   | <input type="checkbox"/> | <input type="checkbox"/> |
| • Did you have eczema, asthma, frequent chronic earaches or colic either as a child (or still as an adult)? | <input type="checkbox"/> | <input type="checkbox"/> |
| • Do you have bloating, nausea, burping, flatulence, diarrhea or constipation more than twice a week?       | <input type="checkbox"/> | <input type="checkbox"/> |
| • Do you have brainfog, sinusitis or frequent vaginal yeast infections?                                     | <input type="checkbox"/> | <input type="checkbox"/> |

### QUESTIONS TO ASK YOURSELF ABOUT BLOOD SUGARS

- |   | YES                      | NO                       |
|---|--------------------------|--------------------------|
| • Do you have anxiety or panic attacks?                                       | <input type="checkbox"/> | <input type="checkbox"/> |
| • Does your mood fluctuate throughout the day?                                | <input type="checkbox"/> | <input type="checkbox"/> |
| • Do you skip breakfast?  | <input type="checkbox"/> | <input type="checkbox"/> |
| • Do you skip meals?  | <input type="checkbox"/> | <input type="checkbox"/> |
| • Do you have a sweet tooth?  | <input type="checkbox"/> | <input type="checkbox"/> |
| • Do you get HANGRY?  | <input type="checkbox"/> | <input type="checkbox"/> |
| • Do you wake up anxious? (Do you eat sugar/ cake/ chocolate/ wine at night?) | <input type="checkbox"/> | <input type="checkbox"/> |

# MODULE 3

## Address Food Sensitivities

---

### AIMS FOR MODULE 3

- Reduce sugar from your diet
  - trial some healthy sweet alternatives
- Aim to include protein & fat with each meal
  - improve one meal at a time
- Consider chromium, alpha-lipoic acid and/or CoQ10 supplementation if sugar cravings or reactive hypoglycemia are an ongoing problem
- Get the Coeliac disease blood test performed
- Trial low FODMAP diet for 4 weeks (strictly)
  - download the low FODMAP diet information
  - or use the Monash University FODMAP app
  - if symptom relief is experienced do the challenge test
  - if no symptom relief go on a gluten free (and possibly dairy free) diet
- Trial gluten free diet, or gluten free and dairy free diet, if indicated

# MODULE 4

## Support Gut Health

---

### QUESTIONS TO ASK YOURSELF

|   | YES                      | NO                       |
|---|--------------------------|--------------------------|
| • Do you have diarrhea, digestive discomfort, bloating or reflux more than once a week? | <input type="checkbox"/> | <input type="checkbox"/> |
| • Do you burp or fart on a daily basis?   | <input type="checkbox"/> | <input type="checkbox"/> |
| • Do you have less than 1 bowel motion per day?   | <input type="checkbox"/> | <input type="checkbox"/> |
| • Do you have brain fog?  | <input type="checkbox"/> | <input type="checkbox"/> |
| • Do you have recurrent UTIs or yeast infections?                                       | <input type="checkbox"/> | <input type="checkbox"/> |
| • Do you have sinusitis?  | <input type="checkbox"/> | <input type="checkbox"/> |
| • Did you have a Caesarian birth?   | <input type="checkbox"/> | <input type="checkbox"/> |
| • Did you have frequent antibiotics as a child (eg. ear infections?)                    | <input type="checkbox"/> | <input type="checkbox"/> |
| • Did you have a gut infection or take antibiotics before you became unwell?            | <input type="checkbox"/> | <input type="checkbox"/> |
| • Do you have a sugary diet?  | <input type="checkbox"/> | <input type="checkbox"/> |
| • Do you take stomach acid reducing medication (Proton Pump Inhibitors)?                | <input type="checkbox"/> | <input type="checkbox"/> |
| • Do you regularly take NSAIDs (eg. aspirin, ibuprofen, diclofenac)?                    | <input type="checkbox"/> | <input type="checkbox"/> |

# MODULE 4

## Support Gut Health

---

### AIMS FOR MODULE 4:

#### FOR THOSE WITH LITTLE GUT HEALTH CONCERNS

- assess Coeliac disease test results
- do the stomach acid test
- eat 5 serves of vegetables daily
- consume collagen powder or broth daily
- eat a fermented food regularly (eg. kimchi, sauerkraut, kombucha, milk kefir)

#### TO DO

### AIMS FOR MODULE 4:

#### FOR THOSE WITH GUT HEALTH CONCERNS

- assess Coeliac disease test results
- eat 5 serves of vegetables daily
- consume collagen powder or broth daily
- get your bowels moving (1-2 bowel motions per day)
- do the stomach acid test
- trial a gluten free, dairy free or low FODMAP diet
- order probiotics, stomach acid and gut healing supplements

#### TO DO

# MODULE 5

## Treat Nutritional Deficiencies

### QUESTIONS TO ASK YOURSELF

|   | YES                      | NO                       |
|---|--------------------------|--------------------------|
| • Do you eat a vegan or vegetarian diet?                          | <input type="checkbox"/> | <input type="checkbox"/> |
| • Do you consume red meat less than twice a week?                 | <input type="checkbox"/> | <input type="checkbox"/> |
| • Do you eat fish less than twice per week?                       | <input type="checkbox"/> | <input type="checkbox"/> |
| • Do you have dark skin?  | <input type="checkbox"/> | <input type="checkbox"/> |
| • Do you spend most of your time indoors?                         | <input type="checkbox"/> | <input type="checkbox"/> |
| • Are you on the oral contraceptive pill?                         | <input type="checkbox"/> | <input type="checkbox"/> |
| • Do you have white dots in your fingernails?                     | <input type="checkbox"/> | <input type="checkbox"/> |
| • Do you eat little nuts and seeds?                               | <input type="checkbox"/> | <input type="checkbox"/> |
| • Are you stress intolerant?                                      | <input type="checkbox"/> | <input type="checkbox"/> |
| • Is your iron always low or on the low-side?                     | <input type="checkbox"/> | <input type="checkbox"/> |
| • Do you eat less than 5 servings of fruit or vegetables per day? | <input type="checkbox"/> | <input type="checkbox"/> |

### BLOOD TEST RESULTS

|                   | SEVERE DEFICIENCY        | DEFICIENCY               | OPTIMAL                  | ELEVATED                 |
|-------------------|--------------------------|--------------------------|--------------------------|--------------------------|
| • Folate          | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |
| • Iron (Ferritin) | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |
| • Vitamin B12     | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |
| • Homocysteine    | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |
| • Vitamin D       | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |
| • Zinc            | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |
| • Copper          | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |

### NUTRITIONAL DEFICIENCIES I NEED TO INVESTIGATE FURTHER

# MODULE 5

## *Treat Nutritional Deficiencies*

---

### AIMS FOR MODULE 5

### TO DO

- Review blood test results
- Increase foods rich in the nutrients you are deficient in
- Order supplements if blood testing shows you are deficient
- Review symptoms for magnesium and omega 3 deficiency and supplement if appropriate
- Consider having regular epsom salt baths (to increase magnesium)
- Increase fish intake (to improve omega 3 levels)
- Be intentional about exposing skin to the sun for those with low vitamin D
- Retest blood test in 3 months time

### INSIGHTS & NOTES FOR MODULE 5

## MODULE 6

### Putting it all together

---

#### OVERWHELMED WITH YOUR MENTAL HEALTH?

- Have you dealt with past trauma?
- Have you learnt cognitive behavioural therapy?
- Have you considered your spiritual life?
- Do you need to change something in your life? job, relationship, friendships?
- Consider further integrative medical testing...
- Test your genetics or consider your hormones

YES NO

|                          |                          |
|--------------------------|--------------------------|
| <input type="checkbox"/> | <input type="checkbox"/> |
| <input type="checkbox"/> | <input type="checkbox"/> |
| <input type="checkbox"/> | <input type="checkbox"/> |
| <input type="checkbox"/> | <input type="checkbox"/> |
| <input type="checkbox"/> | <input type="checkbox"/> |
| <input type="checkbox"/> | <input type="checkbox"/> |
| <input type="checkbox"/> | <input type="checkbox"/> |

#### QUESTIONS TO ASK YOURSELF: GENETICS

- Does depression, anxiety, mental illness or "worrying" run in your family?
- Have you had poor mental health from a young age?
- Is your depression "treatment resistant"?

YES NO

|                          |                          |
|--------------------------|--------------------------|
| <input type="checkbox"/> | <input type="checkbox"/> |
| <input type="checkbox"/> | <input type="checkbox"/> |
| <input type="checkbox"/> | <input type="checkbox"/> |

#### QUESTIONS TO ASK YOURSELF: HORMONES

- Does hypothyroidism run in your family?
- Is your thyroid enlarged or your neck swollen?
- Have you had burnout or a "breakdown"?
- Is your depression or anxiety worse when you are under stress?
- Do you have heavy periods, irregular periods or PCOS?
- Is your depression or anxiety cyclical?
- Do you have PMS, PMDD or postnatal depression?

YES NO

|                          |                          |
|--------------------------|--------------------------|
| <input type="checkbox"/> | <input type="checkbox"/> |
| <input type="checkbox"/> | <input type="checkbox"/> |
| <input type="checkbox"/> | <input type="checkbox"/> |
| <input type="checkbox"/> | <input type="checkbox"/> |
| <input type="checkbox"/> | <input type="checkbox"/> |
| <input type="checkbox"/> | <input type="checkbox"/> |
| <input type="checkbox"/> | <input type="checkbox"/> |
